To provide training, jobs, and employment opportunities for adults with developmental and cognitive differences.

The After 26 Project is a tax exempt 501(c)(3) corporation that was first organized in 2008. The 'Project Workers' at the Depot handle a variety of responsibilities including, but not limited to: greeting; assist hosting; assist servers; bussing; dishwashing; clean-up; janitorial; scrub cleaning; prep; outside maintenance; and landscaping.
