

Music Fest Craft Show
3pm-9pm August 3, 2019
Cadillac City Park

For 2019 this annual event is expanding and moving to the Cadillac City Park. All booths will be set up along the sidewalk that borders the Cadillac Memorial Fountain, similar to the Cadillac Festival of the Arts. This is your chance to exhibit in front of the large crowds that browse the Depot Music Fest at a very affordable cost. The Depot Music Fest is now in its 5th year, this is a very popular & well-attended event. 10 by 10 booths are available for just \$20 plus a recommendation of a donated item of your choice for our raffle table. 10 by 10 pop-up tents are encouraged but cannot be staked down. We request that Crafters be set up and ready to go half an hour prior to the Festival opening, which would be 2:30pm. This is a juried event, all crafters must be approved. All proceeds benefit the After 26 Project. For more information contact After 26 board member Andrew MacDonald by [email](mailto:andrew@macdonaldaudio.com) at andrew@macdonaldaudio.com or phone (231) 920-5311.
